### Booking Terms & Conditions

A completed booking form and signed acceptance of the terms and conditions must be received by the hotel prior to confirming any event. The deposit is non-refundable and non-transferable to alternative date. On receipt of your deposit you will receive a confirmation by email or letter; this is confirmation that your party is booked. First confirmed numbers and full payment must be received one month before your party date. Final numbers must be given 14 days prior to your party night; these are your confirmed numbers that you will be charged for in full. The hotel reserves the right to withdraw any Christmas party from the programme if sufficient numbers are not booked, however we will offer an alternative date. All bookings for Christmas parties and bedrooms are deemed provisional until confirmed by the sales department in writing after receiving a deposit.
